

## Universal Coin International, LLC's Cookies Policy

### What is a Cookie?

A cookie is a small text file containing a unique identification number that identifies a customer's browser each time that customer visits a website. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the Cookie to you.

1. UCOIN Site may use "cookies". The use of cookies is industry standard practice and many major browsers are initially set up to accept them. You can reset your browser to either refuse to accept all cookies or to notify you when you have received a cookie. However, if you refuse to accept cookies, you may not be able to use some of the features available on the Site.
2. If you choose to disable or block our cookies on your computer or other device you will need to do this through your browser. Click on the 'Help' menu on your particular browser to learn how to manage your cookie preferences.
3. We set cookies (first party cookies) on web pages, however, where we require additional information, we may also allow other companies to host cookies on our Site (third party cookies). These companies have been carefully selected by us and are required to meet contractual obligations they have with us.
4. What do we use cookies for?

#### ***The cookies on the Site may be from any of the following categories:***

- a. *Strictly Necessary cookies* - these are used for technical reasons and are necessary to enable the Site to operate efficiently so that you can navigate the Site with ease and use specific features. These include, for example, cookies that help us to debug any errors. If these cookies are blocked or disabled, some of the Site may not operate effectively.
- b. *Functionality cookies* - these are used to improve the functionality of the Site and make it easier to use. They help us to identify you as a repeat user of the Site and help us remember your preferences (for example, your choice of language or region)
- c. *Analytical* - these record your visit to our Site, the pages you have visited and the links you have followed. We will use this information to make the Site and the advertising displayed on it (if any) more relevant to your interests. We may also share this information with third parties for this purpose.

5. How do we share cookies?

**Ucoin**  
ACCESS TO YOUR MONEY ANYTIME, ANYWHERE.

[www.ucoincurrency.io](http://www.ucoincurrency.io)

We may share information that we collect through cookies, in aggregated form, with carefully selected third parties for the purposes set out above, unless you disable or block cookies.

A **“Web Beacon”** (also called a “pixel tag” or “clear GIF”) is a piece of computer code that enables us to monitor user activity and website traffic or know when a user has opened or interacted with an email.

To learn more about Cookies, Web Beacons, and other data collection technology, visit [www.allaboutcookies.org](http://www.allaboutcookies.org).
